#### 4. Conclusion

All assumptions regarding sales from production in the Price Determination Report, were made based on the production predictions in Samsun and Çorlu plants of the company.

For 2016 second quarter, the estimated total sales quantity is 625.203 Tons and the realized total sales quantity is 622.922 Tons, the estimated product and commodities sales amount is 543,35 Million TL in total and the realized total sales amount is 510,73 Million TL.

As we evaluate sales quantity and sales amount; traded amounts of wheat and corn is below the estimations as a result of season effects. Other sales quantities and amounts are realized above the estimations. Sales of Sunflower Meal, Soybean, Soybean Meal, Palm Kernel, Linseeds, Rice Bran and DDGS contributed total sales quantity.
