EARLY RISK DETECTION COMMITTEE REPORT

Date of Report: 24.09.2018
Report No: 2018/5
Subject: About Borrowing Maturity.

Early Risk Detection Committee has convened on 25.09.2018 and carried out evaluations on the following issues.

It is discussed to utilize the opportunity in the direction of extending the approximate borrowing maturities of the company as planned for a while due to the increase of general borrowing costs in our country and of following up the required actions.

Kind regards

Kemal Kitaplı
